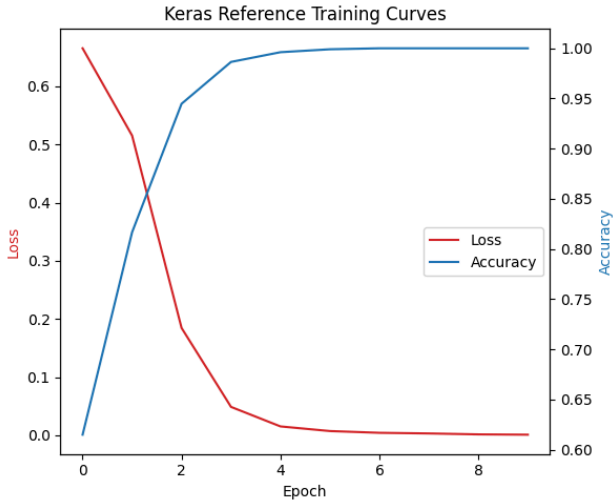
Appendix

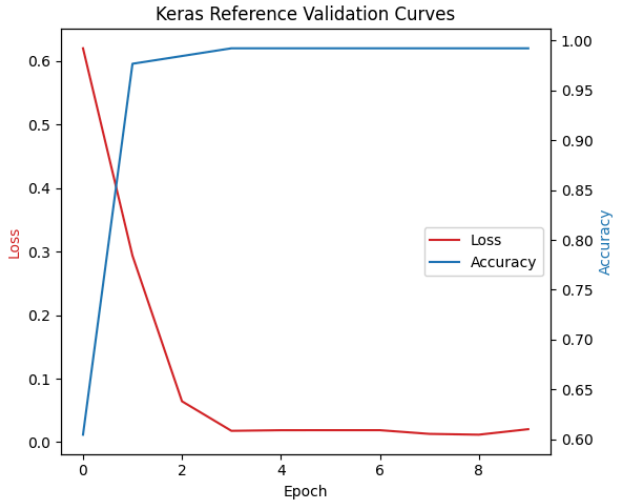
Table of Contents

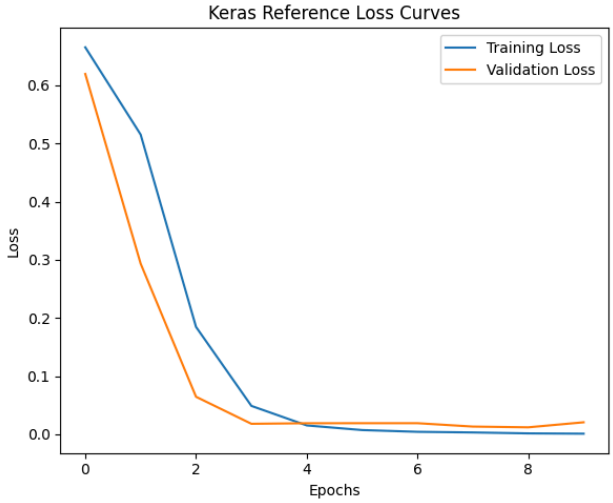
Appendix A
Keras Reference Training and Validation Curves.....3
Appendix B
PyTorch Conversion Training and Validation Curves.....4
Appendix C
Keras 10x Learning Rate Training and Validation Curves.....5
Appendix D
PyTorch 10x Learning Rate Training and Validation Curves.....6
Appendix E
Keras 100x Learning Rate Training and Validation Curves.....7
Appendix F
PyTorch 100x Learning Rate Training and Validation Curves.....8
Appendix G
Keras Additional Layers Training and Validation Curves.....9
Appendix H
PyTorch Additional Layers Training and Validation Curves.....10
Appendix I
Keras Image Transforms Training and Validation Curves.....11
Appendix J
PyTorch Image Transforms Training and Validation Curves.....12
Appendix K
Keras Reference vs. PyTorch Training and Validation Curve Baseline Comparison.....13
Appendix L
Keras vs. PyTorch 10x Learning Rate Training and Validation Curve Comparison.....14
Appendix M
Keras vs. PyTorch 100x Learning Rate Training and Validation Curve Comparison.....15
Appendix N
Keras vs. PyTorch Additional Layers Training and Validation Curve Comparison.....16
Appendix O
Keras vs. PyTorch Image Transforms Training and Validation Curve Comparison.....17
Appendix P
Keras 10x Learning Rate vs. Keras Reference Baseline
Training and Validation Curve Comparison.....18
Appendix Q
Keras 100x Learning Rate vs. Keras Reference Baseline
Training and Validation Curve Comparison.....19
Appendix R
Keras Additional Layers vs. Keras Reference Baseline
Training and Validation Curve Comparison.....20
Appendix S
Keras Image Transforms vs. Keras Reference Baseline
Training and Validation Curve Comparison.....21
Appendix T

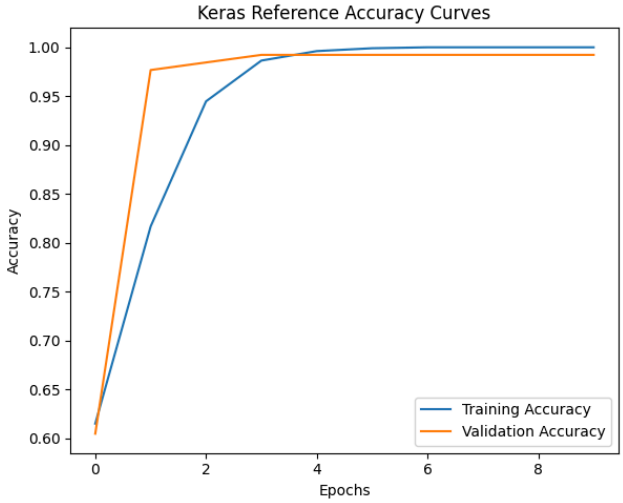
PyTorch 10x Learning Rate vs. PyTorch Conversion Baseline
Training and Validation Curve Comparison..... 22
Appendix U
PyTorch 100x Learning Rate vs. PyTorch Conversion Baseline
Training and Validation Curve Comparison..... 23
Appendix V
PyTorch Additional Layers vs. PyTorch Conversion Baseline
Training and Validation Curve Comparison..... 24
Appendix W
PyTorch Image Transforms vs. PyTorch Conversion Baseline
Training and Validation Curve Comparison..... 25

Appendix A
Keras Reference Training and Validation Curves

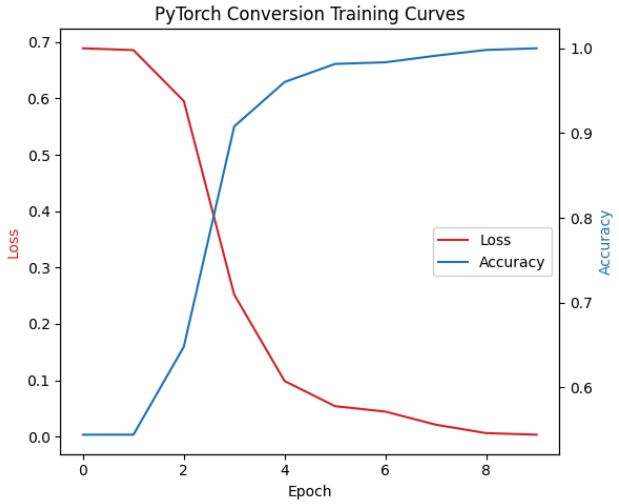


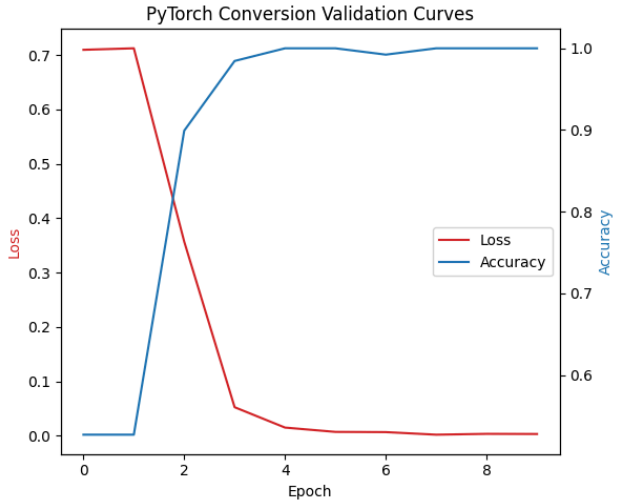


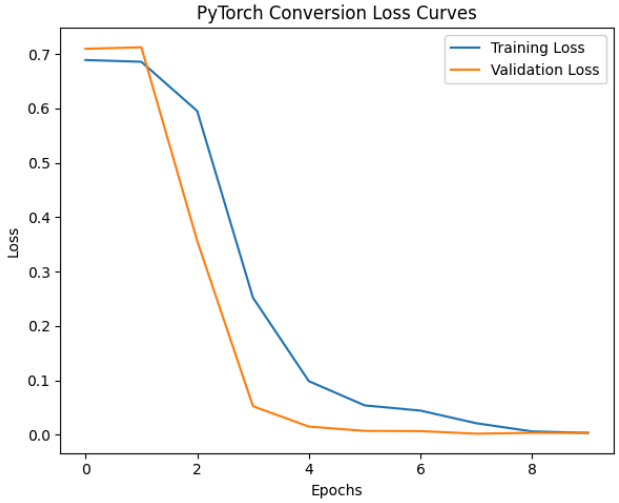


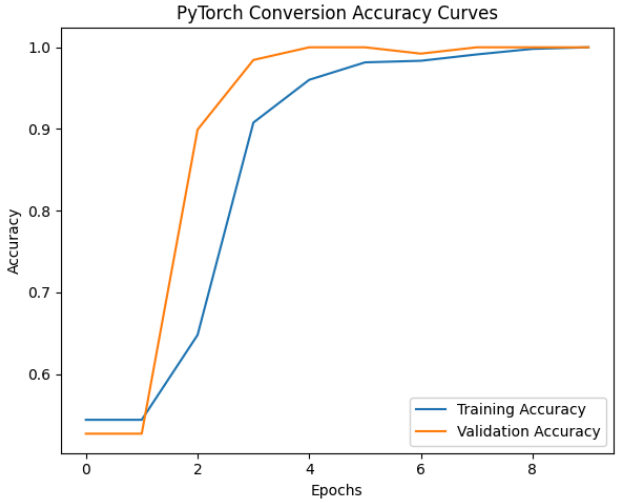


Appendix B
PyTorch Conversion Training and Validation Curves

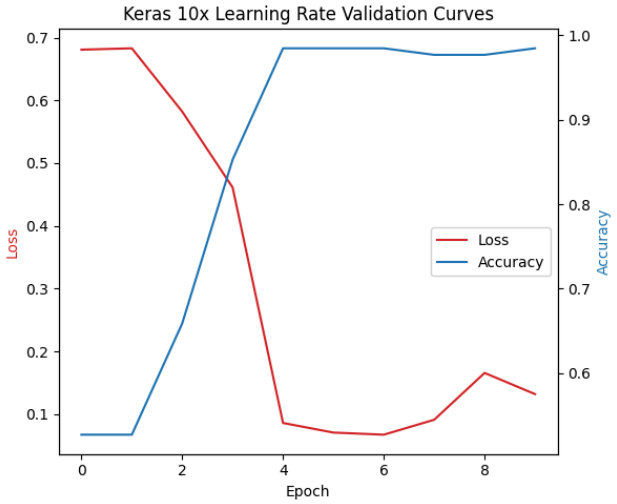


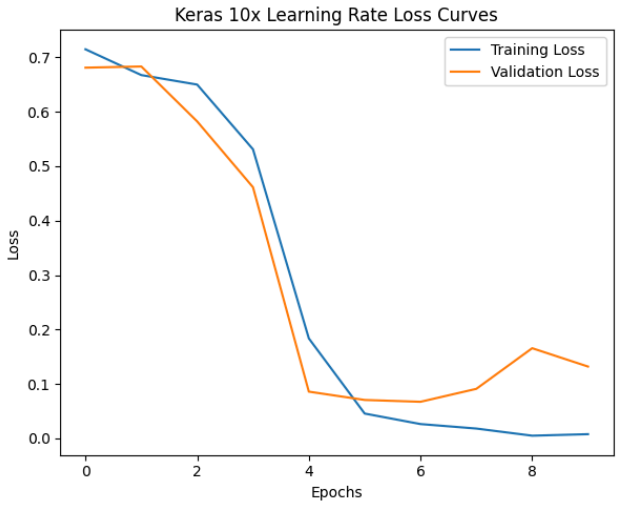


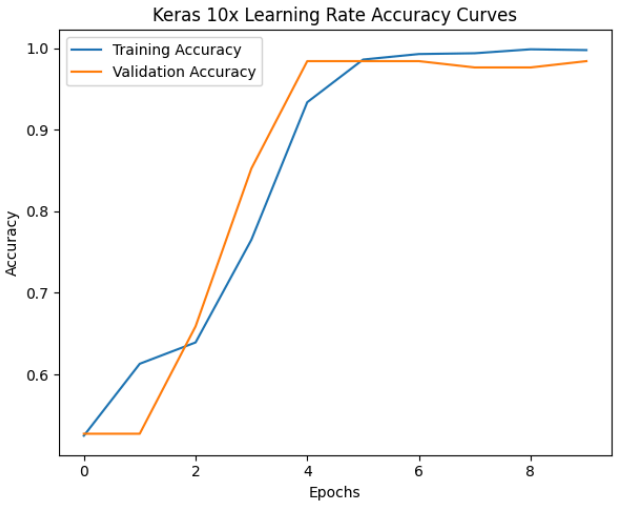




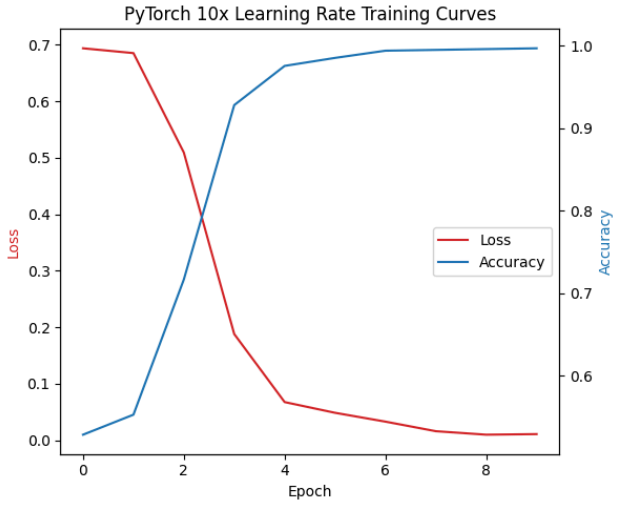
Appendix C
Keras 10x Learning Rate Training and Validation Curves

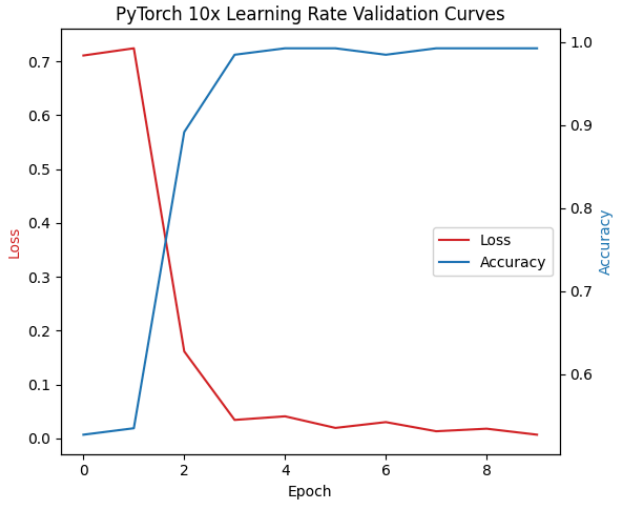


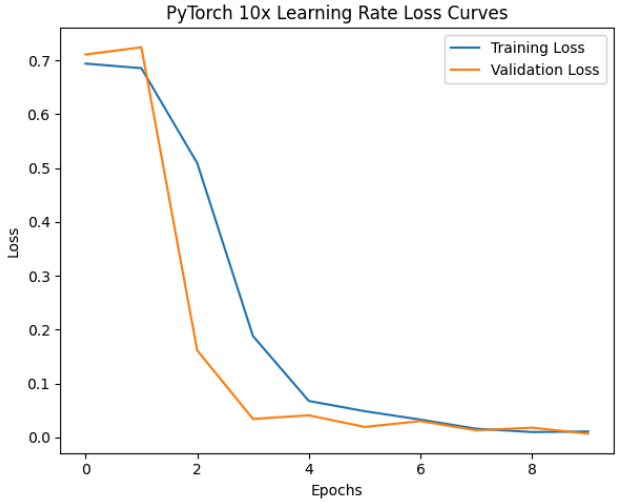


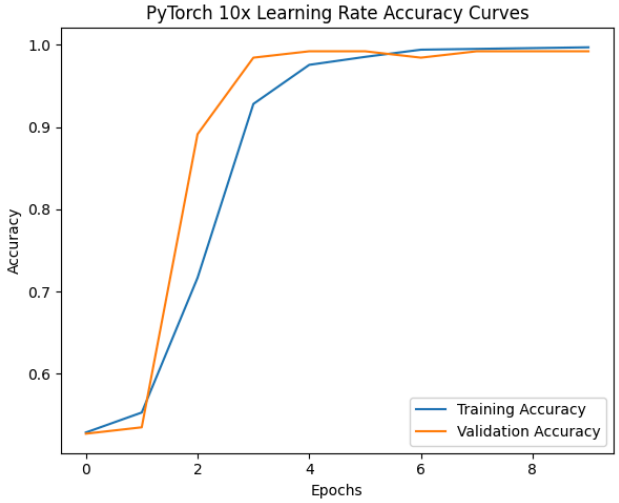


Appendix D
PyTorch 10x Learning Rate Training and Validation Curves

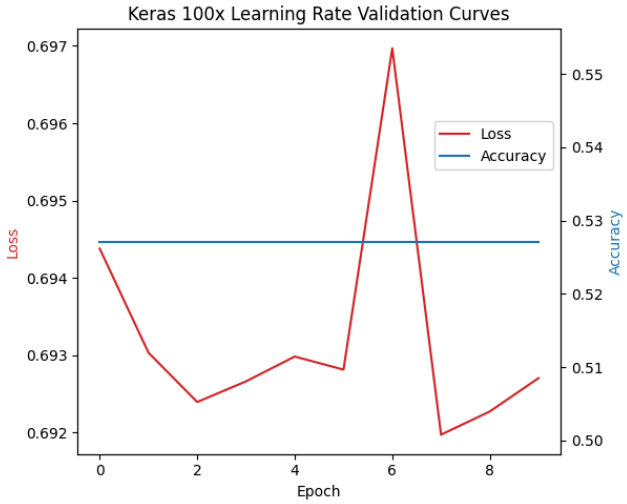


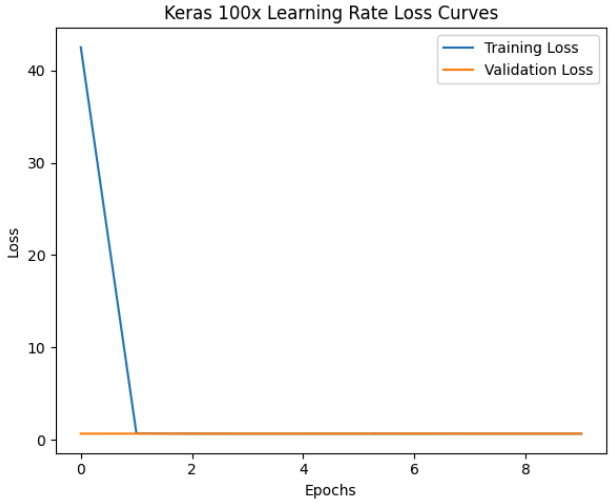


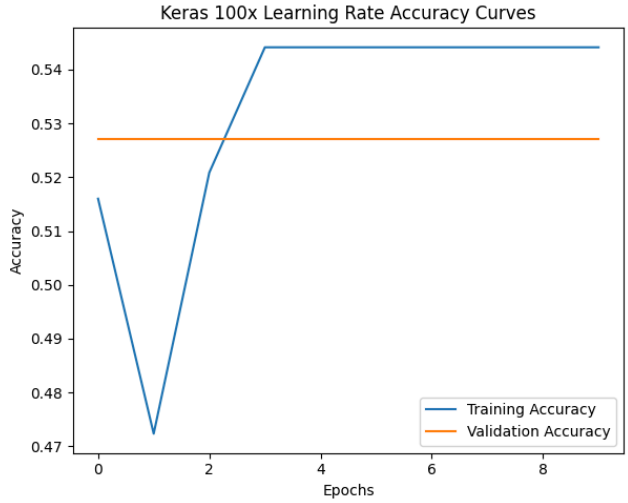




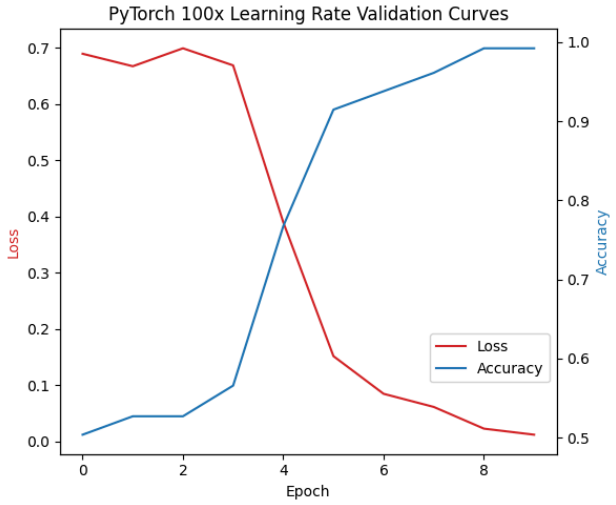
Appendix E
Keras 100x Learning Rate Training and Validation Curves

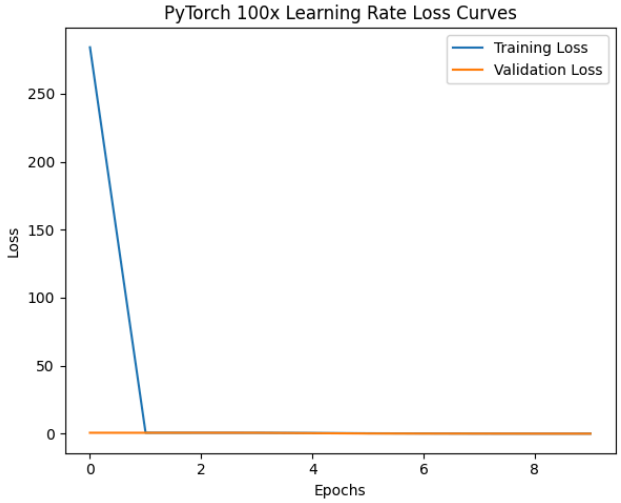


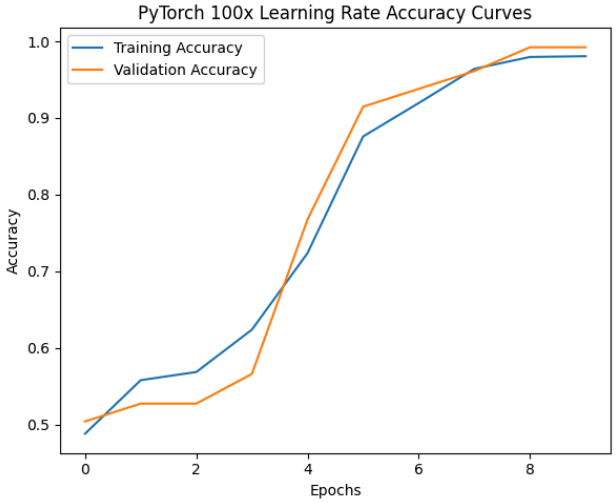




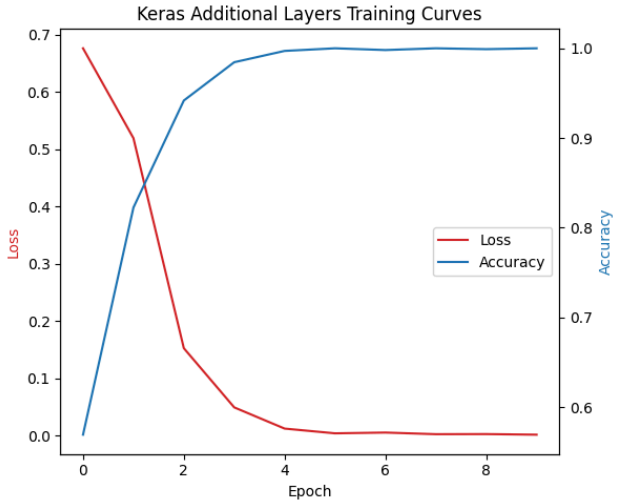
Appendix F
PyTorch 100x Learning Rate Training and Validation Curves

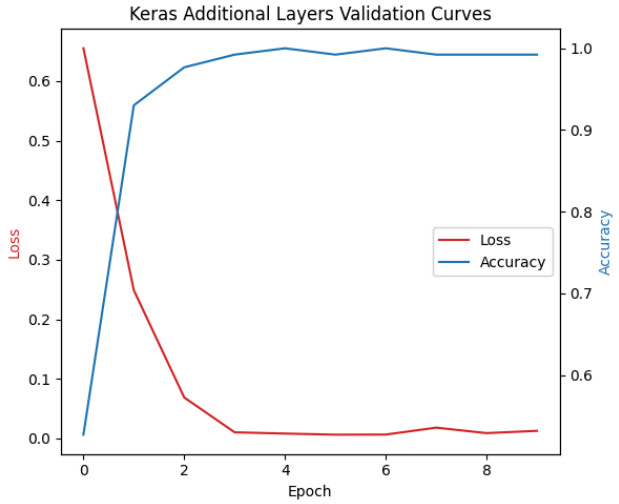


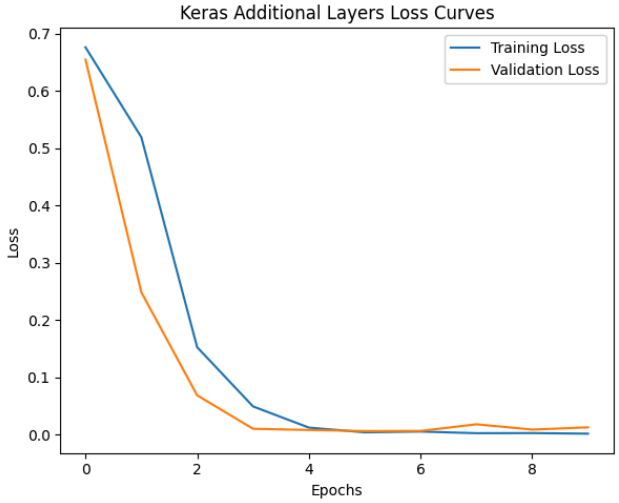


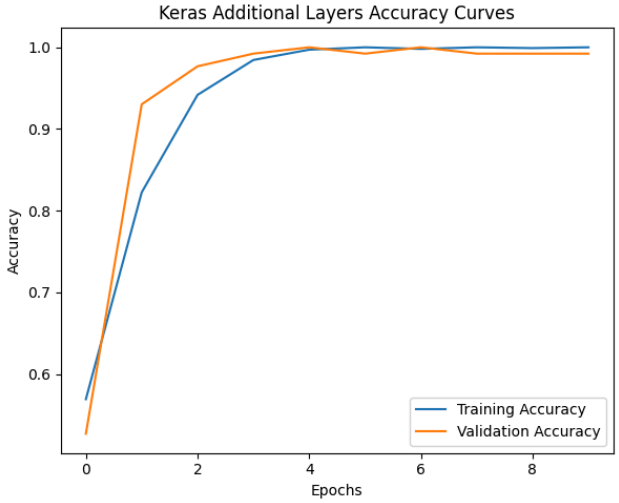


Appendix G
Keras Additional Layers Training and Validation Curves

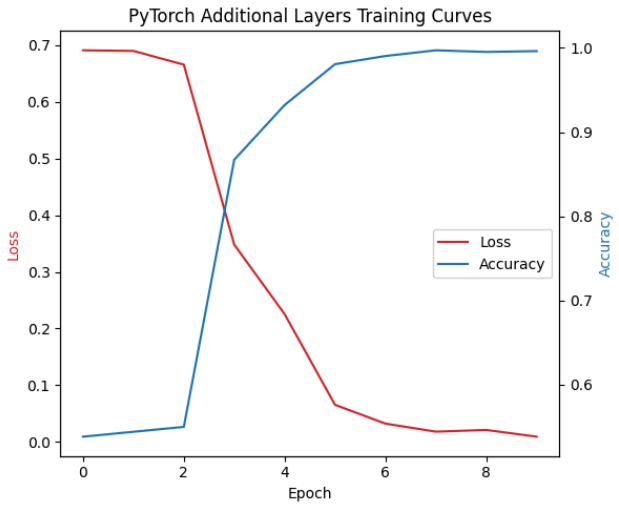


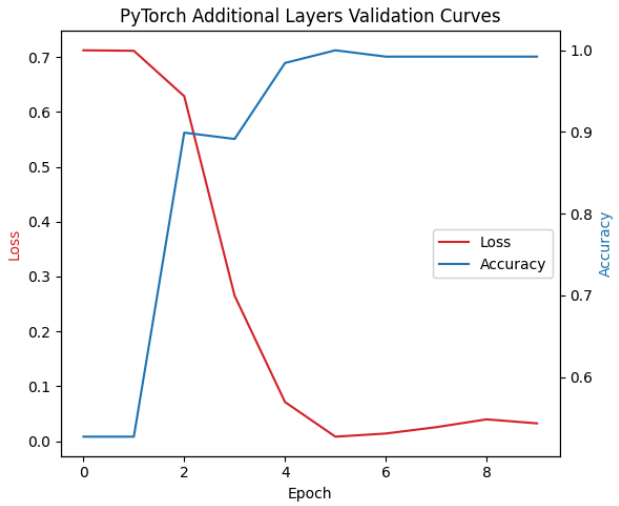


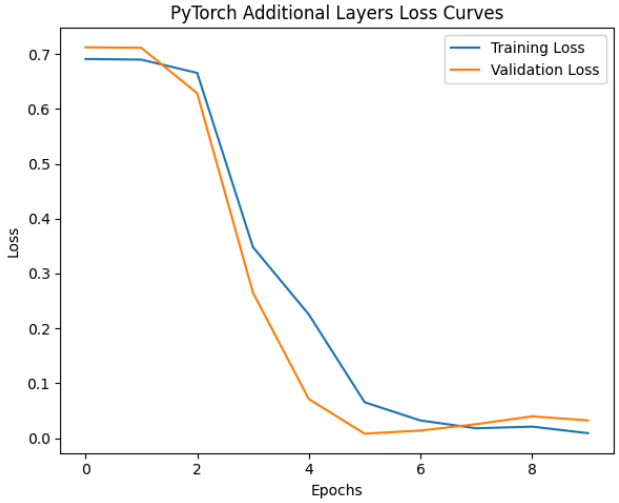


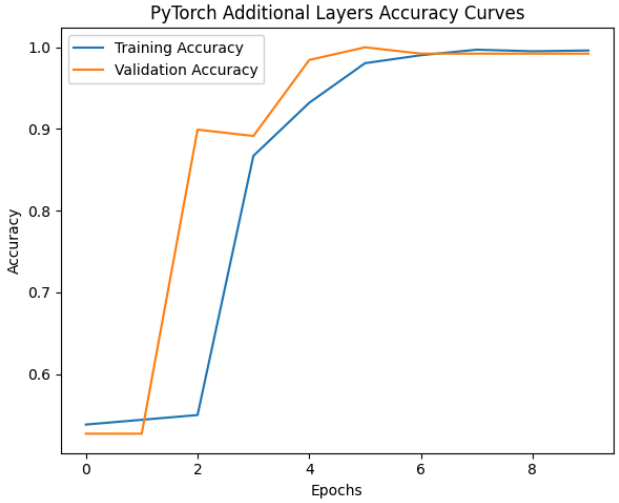


Appendix H
PyTorch Additional Layers Training and Validation Curves

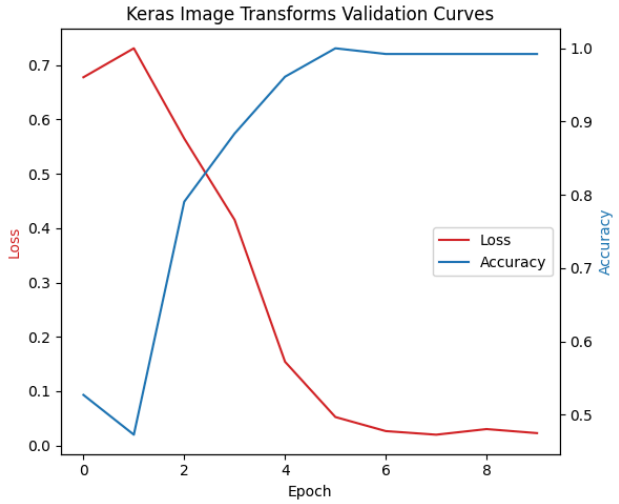


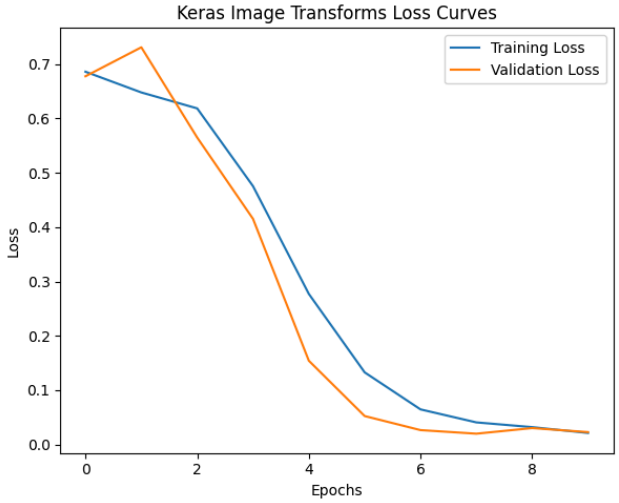


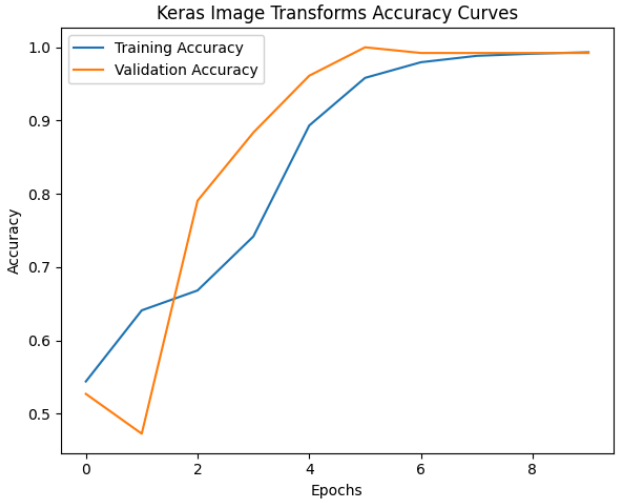




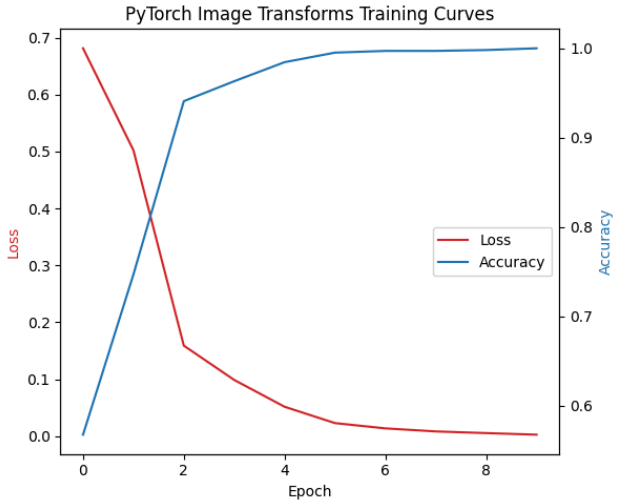
Appendix I
Keras Image Transforms Training and Validation Curves

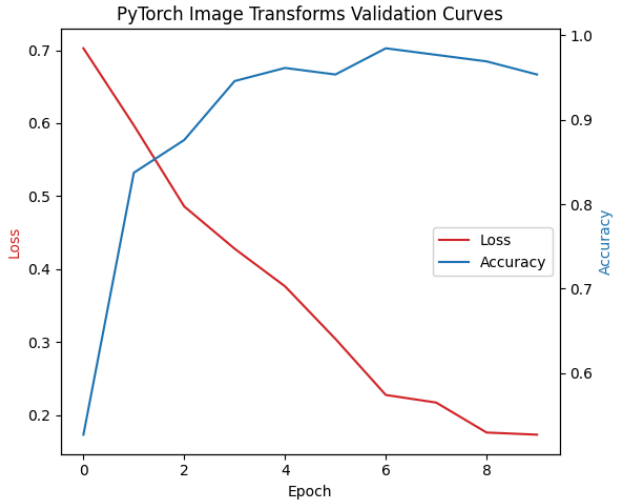


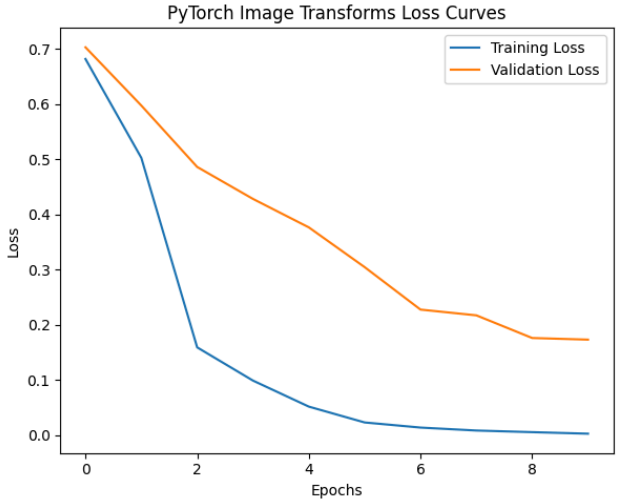


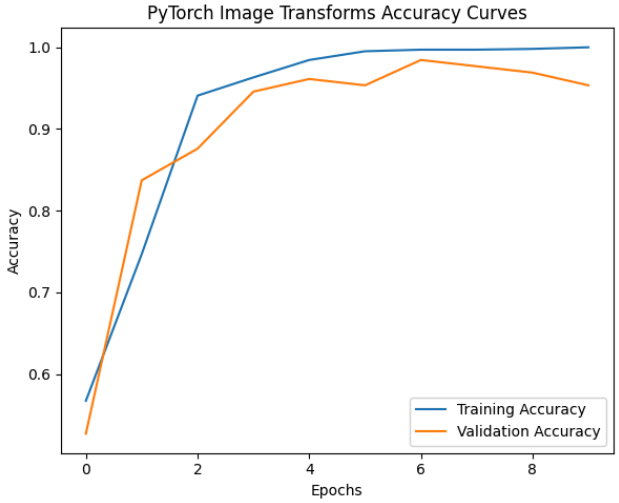


Appendix J
PyTorch Image Transforms Training and Validation Curves

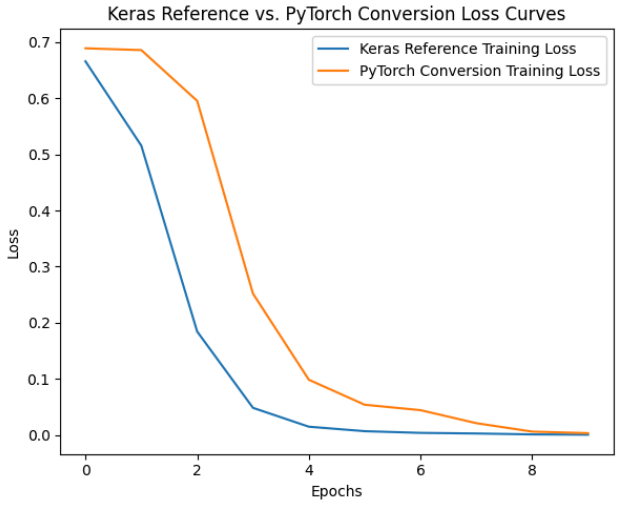


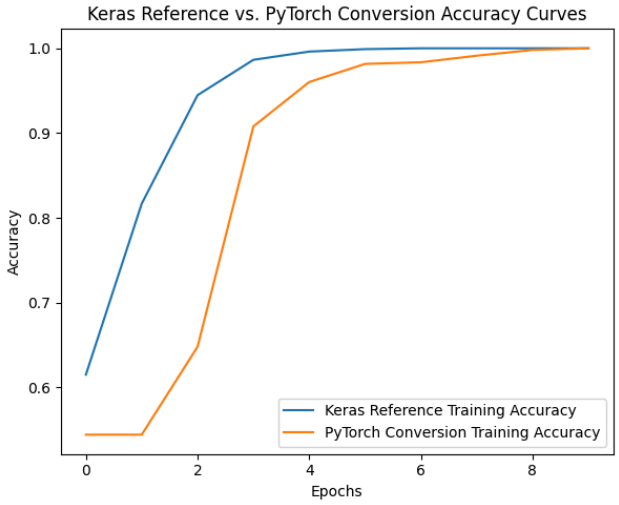


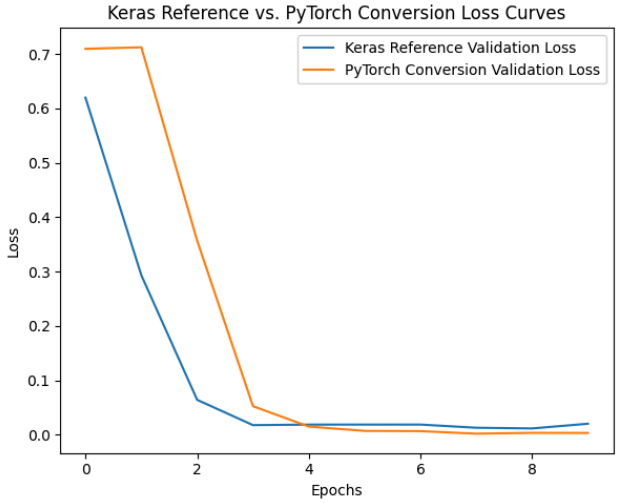


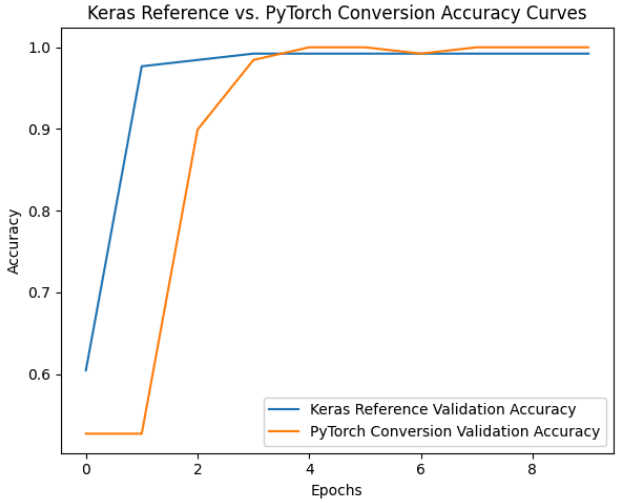


Appendix K
Keras Reference vs. PyTorch Training and Validation Curve Baseline Comparison

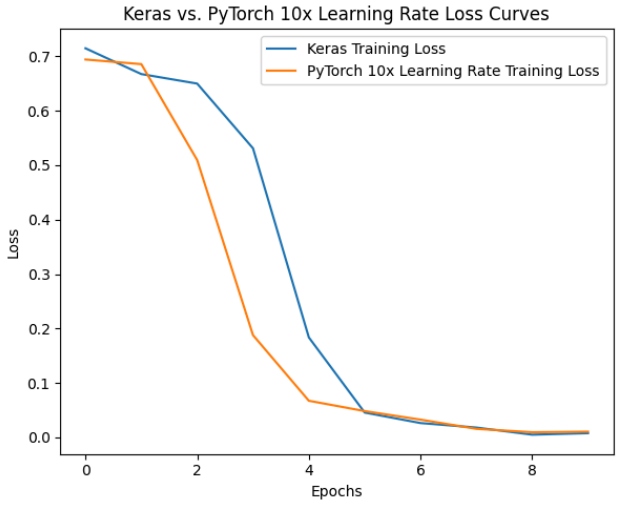


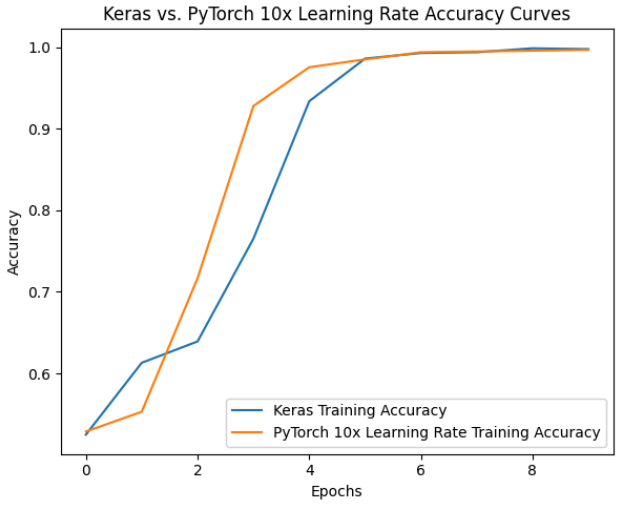


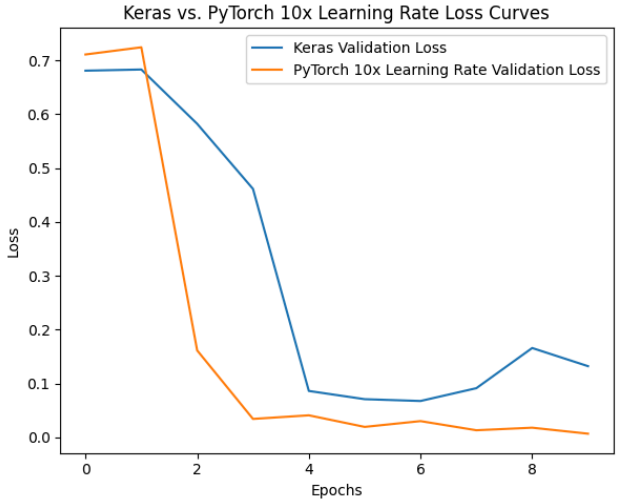


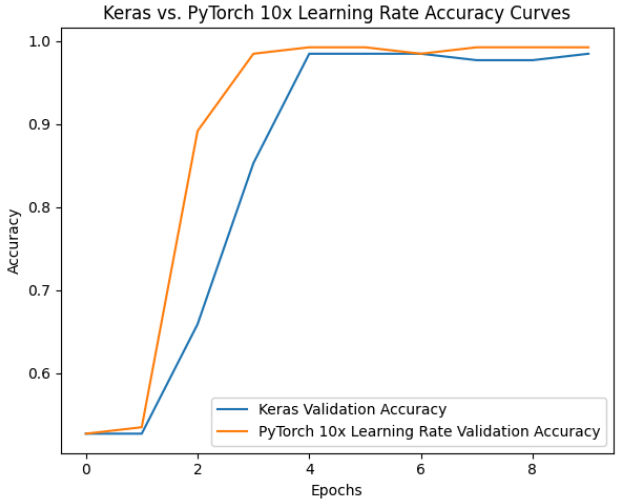


Appendix L
Keras vs. PyTorch 10x Learning Rate Training and Validation Curve Comparison

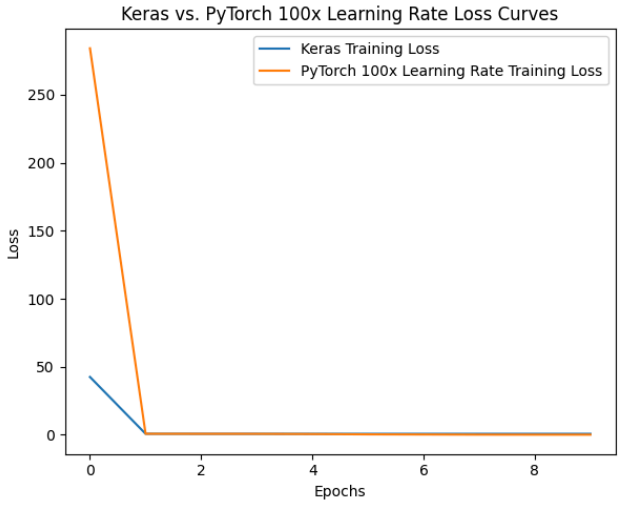


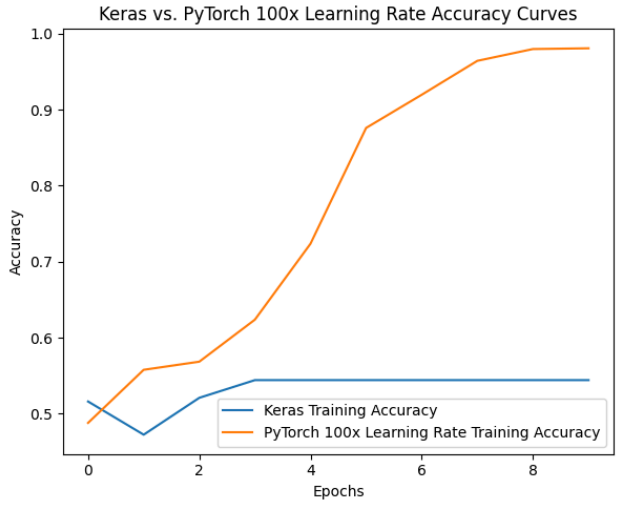


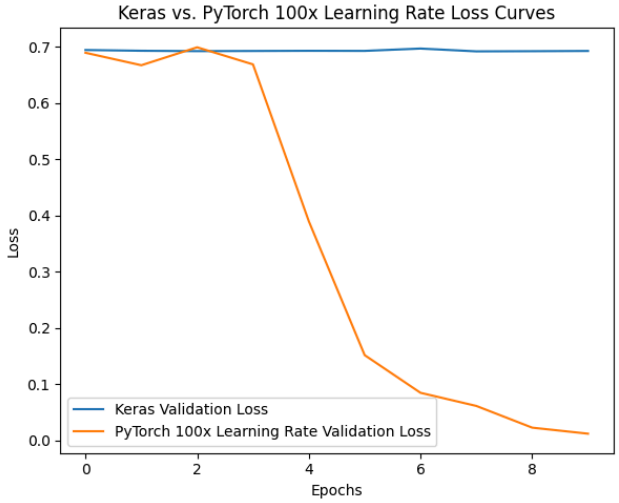


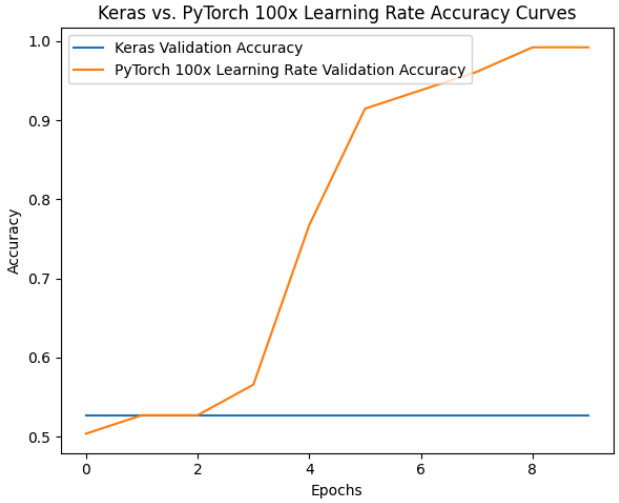


Appendix M
Keras vs. PyTorch 100x Learning Rate Training and Validation Curve Comparison

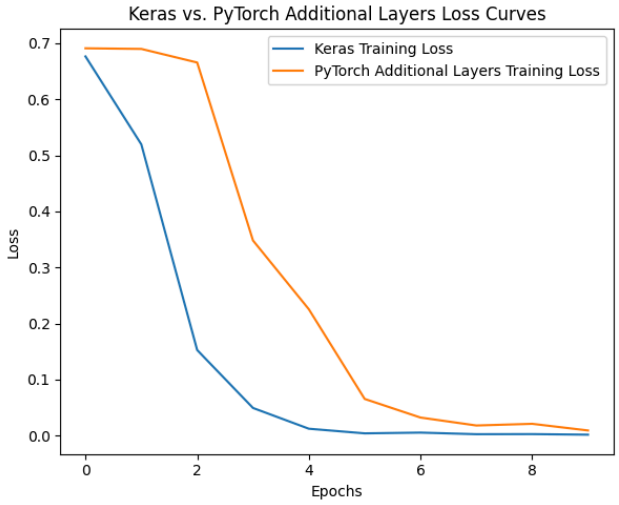


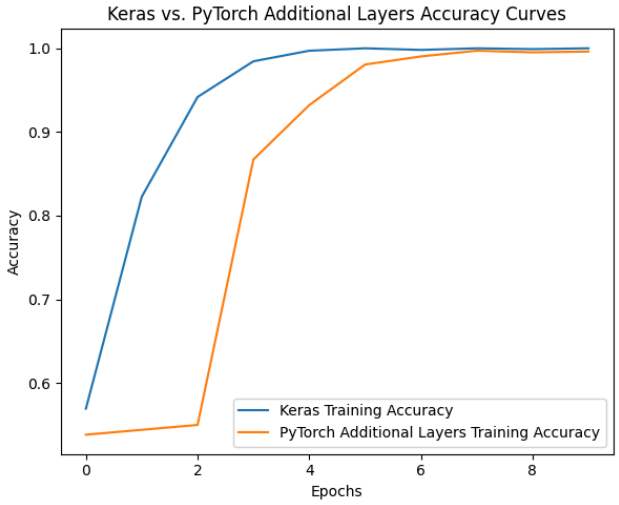


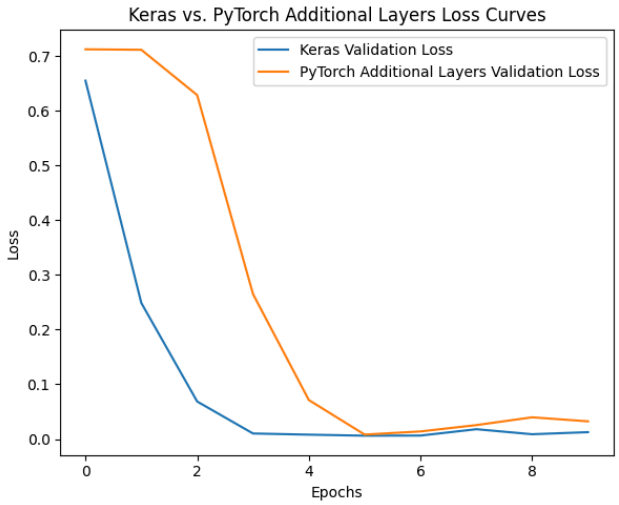


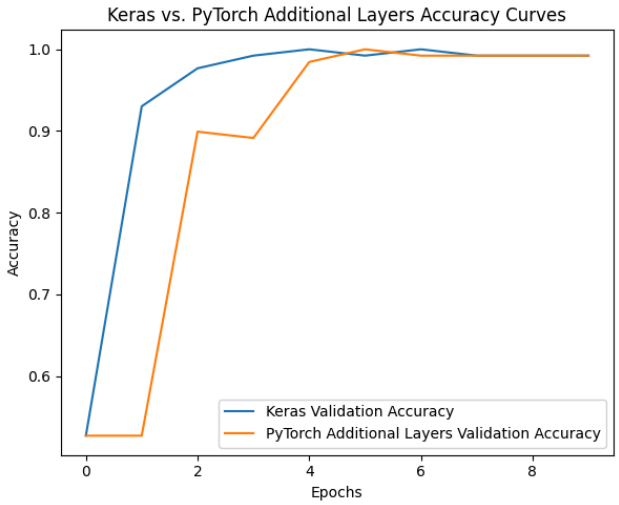


Appendix N
Keras vs. PyTorch Additional Layers Training and Validation Curve Comparison

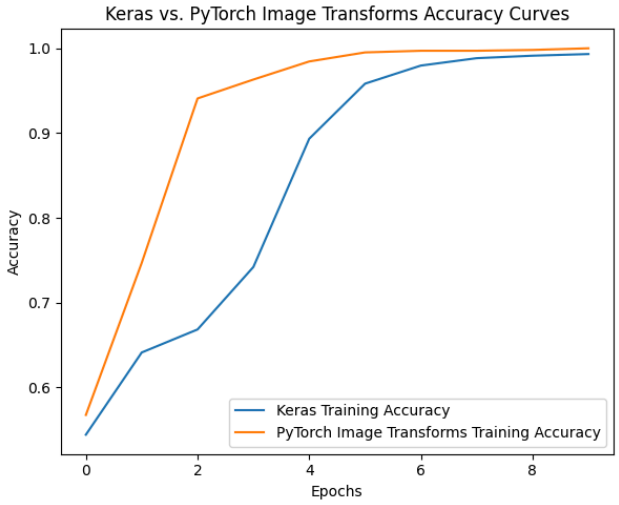


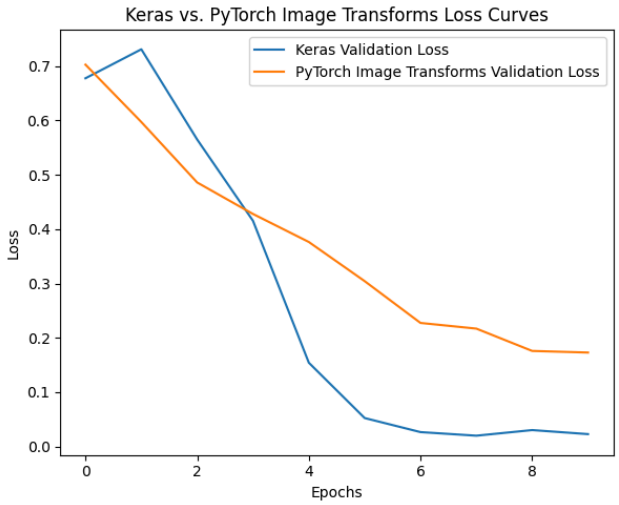


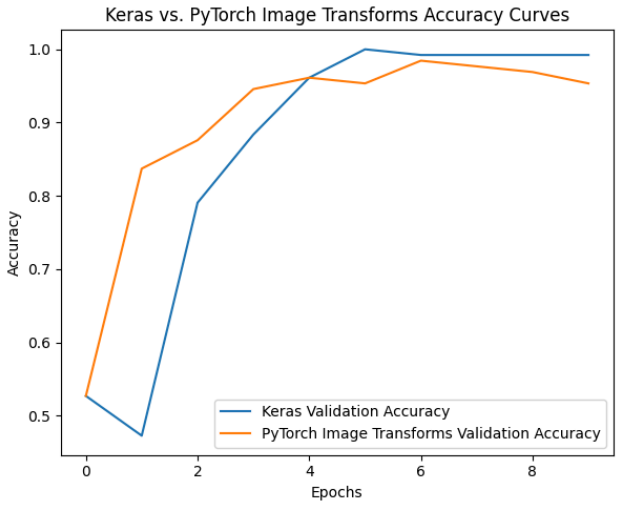




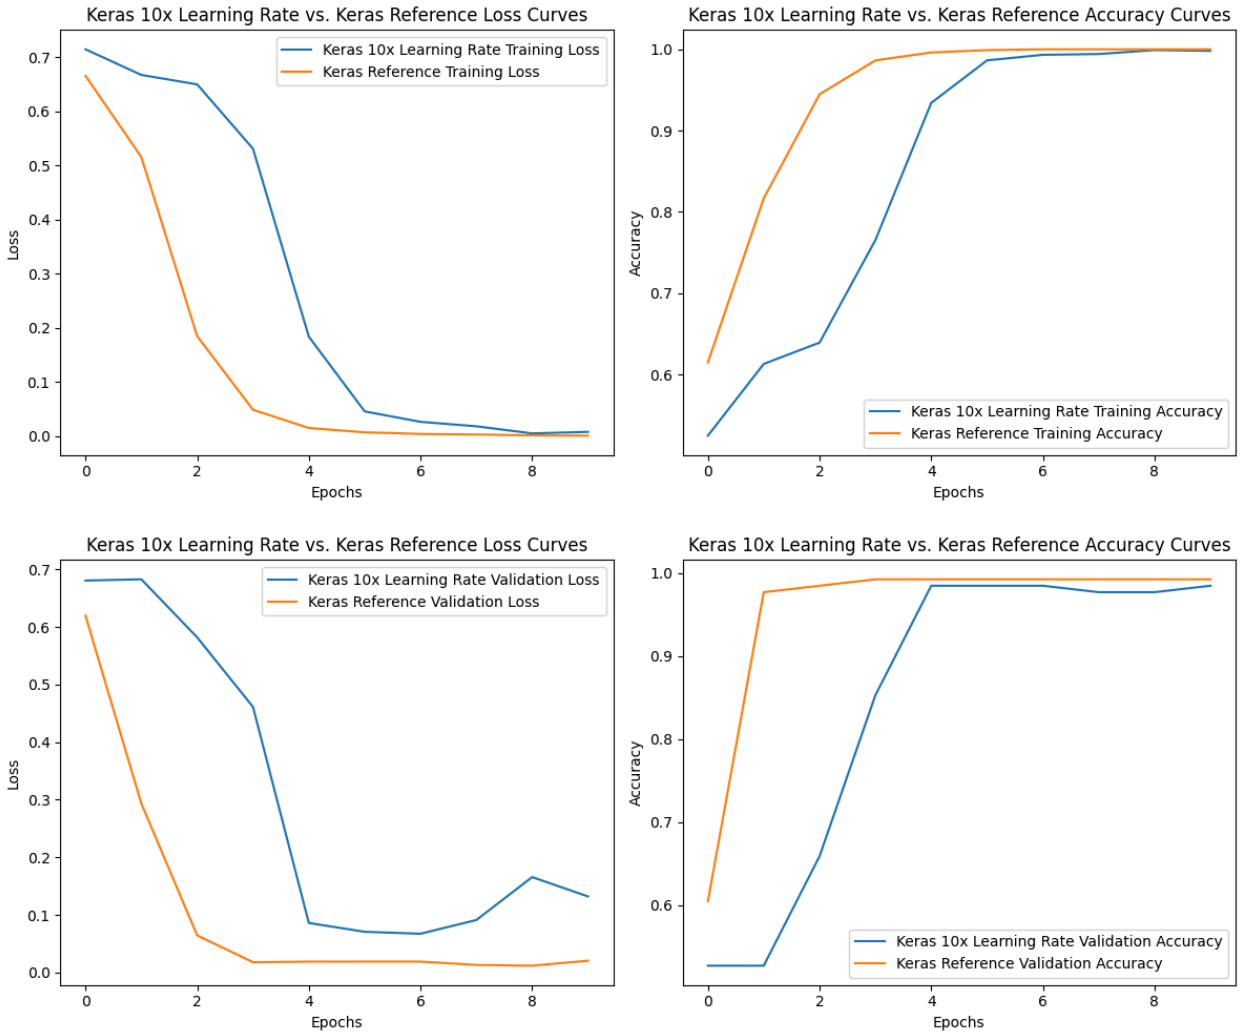
Appendix O
Keras vs. PyTorch Image Transforms Training and Validation Curve Comparison



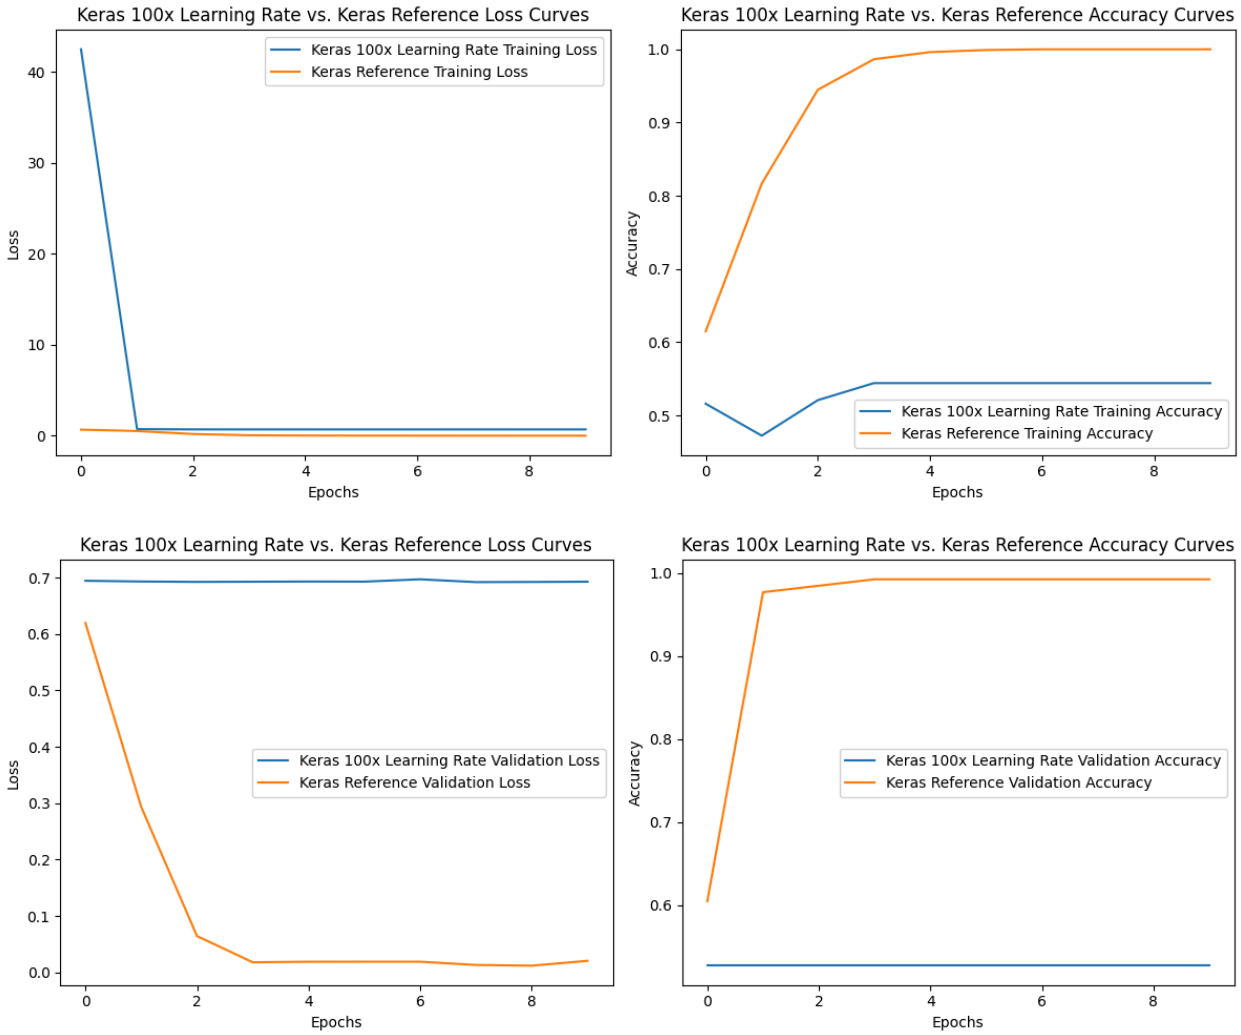




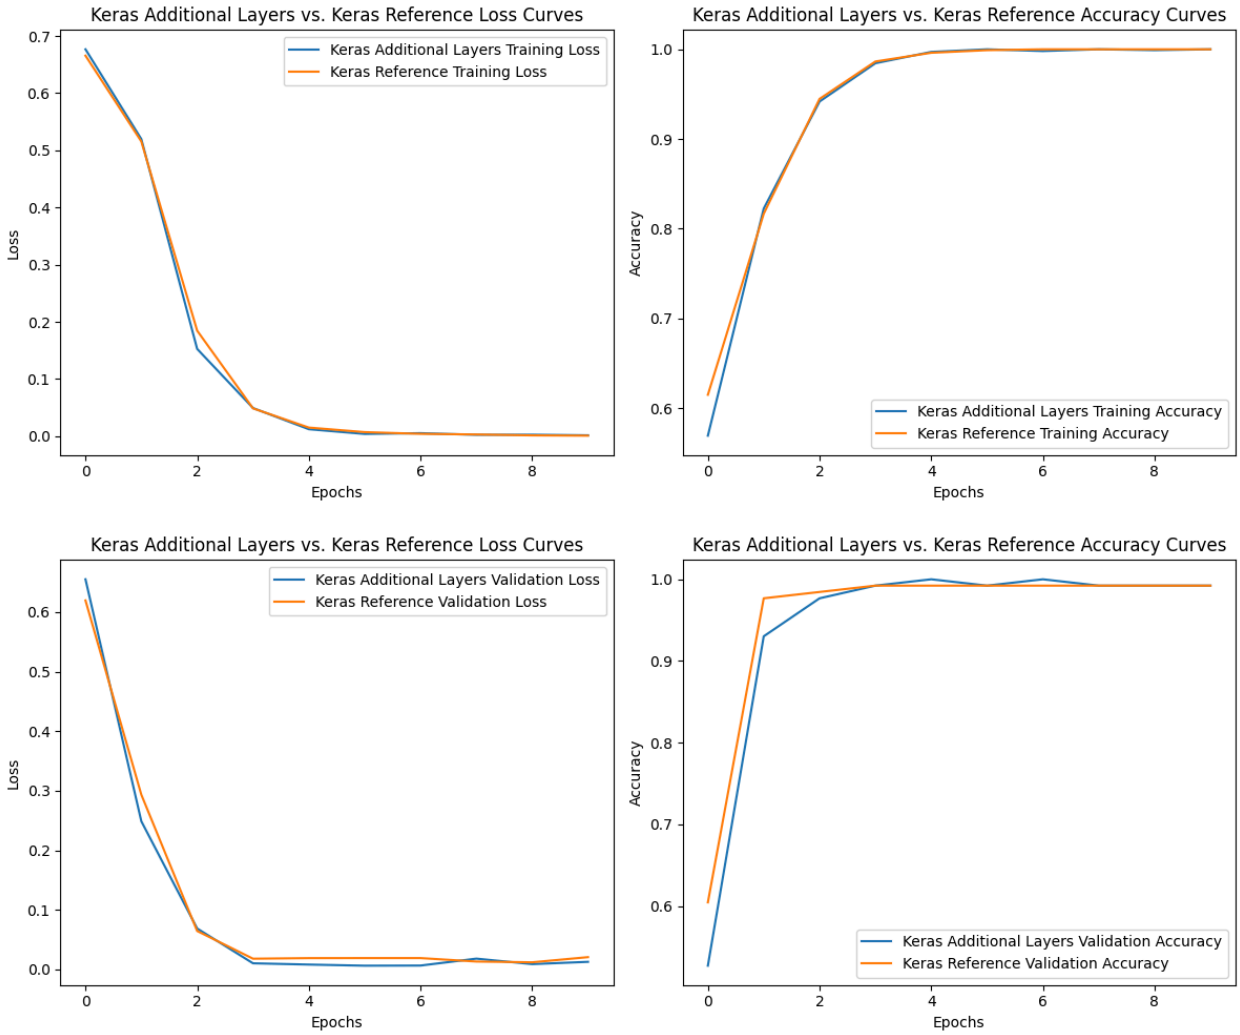
Appendix P
Keras 10x Learning Rate vs. Keras Reference Baseline
Training and Validation Curve Comparison



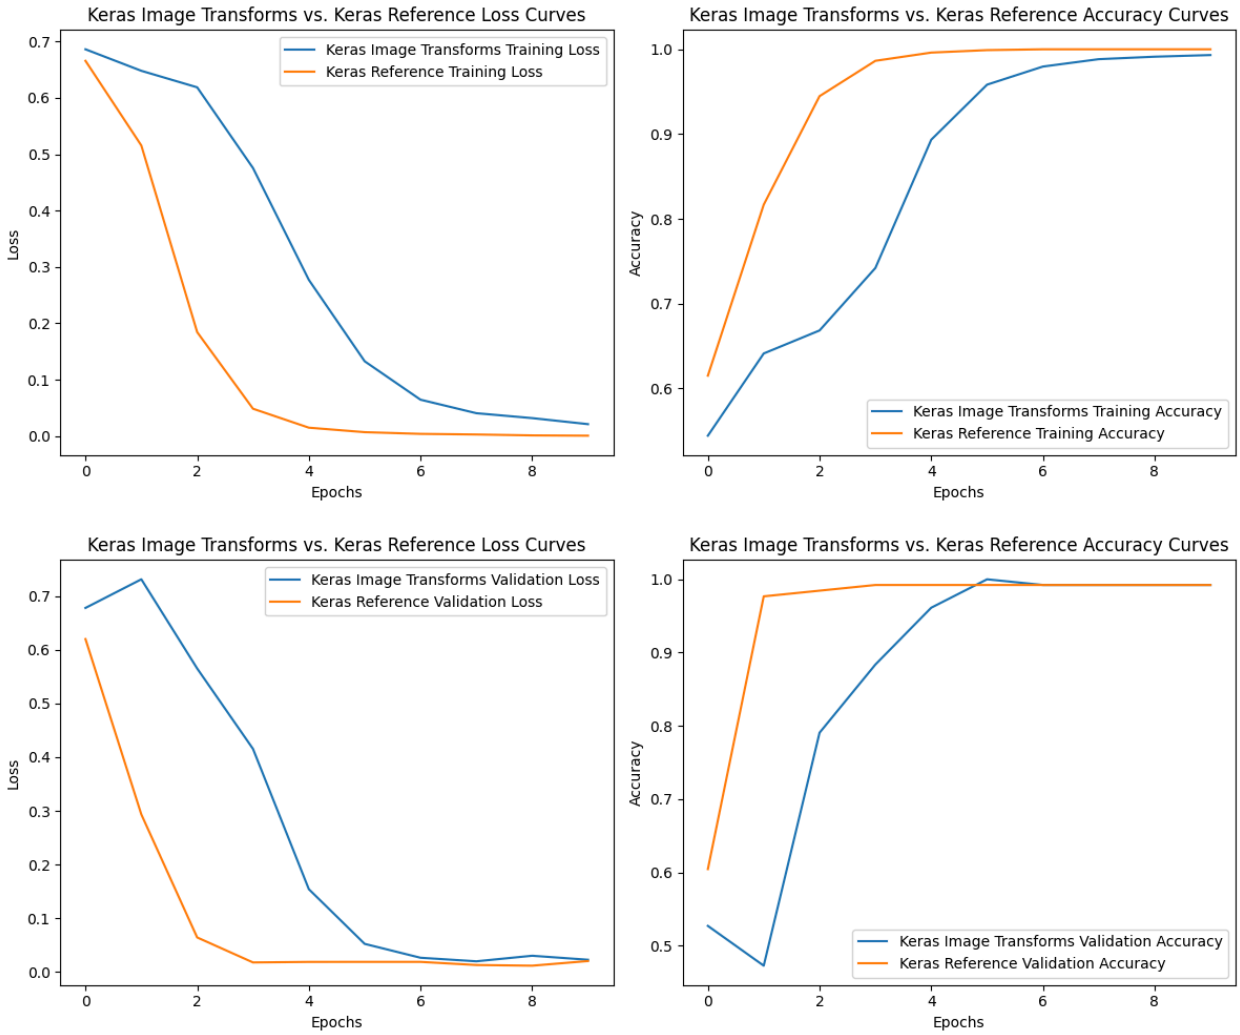
Appendix Q
Keras 100x Learning Rate vs. Keras Reference Baseline
Training and Validation Curve Comparison



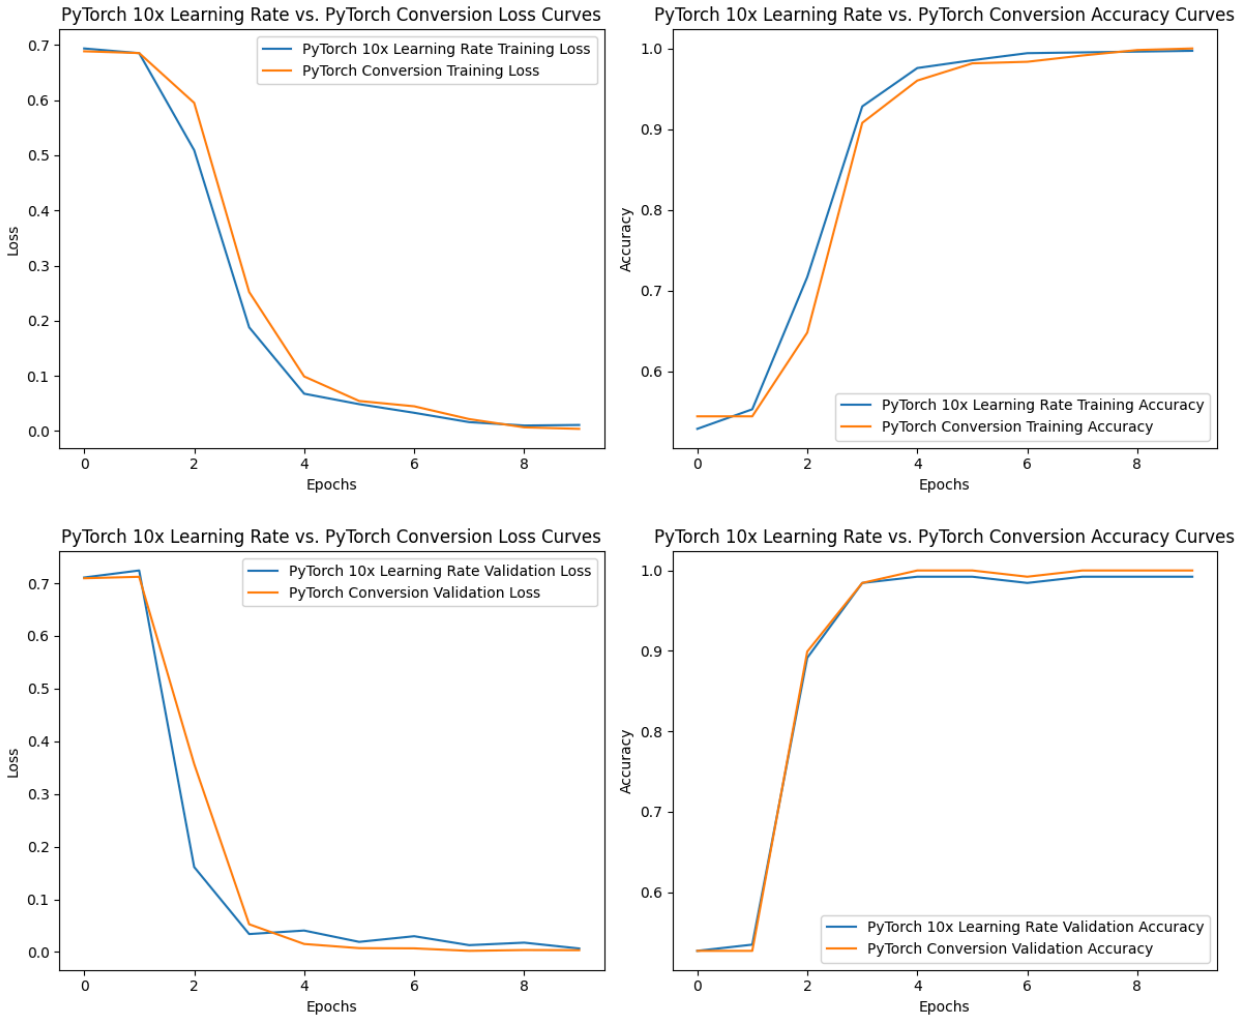
Appendix R
Keras Additional Layers vs. Keras Reference Baseline
Training and Validation Curve Comparison



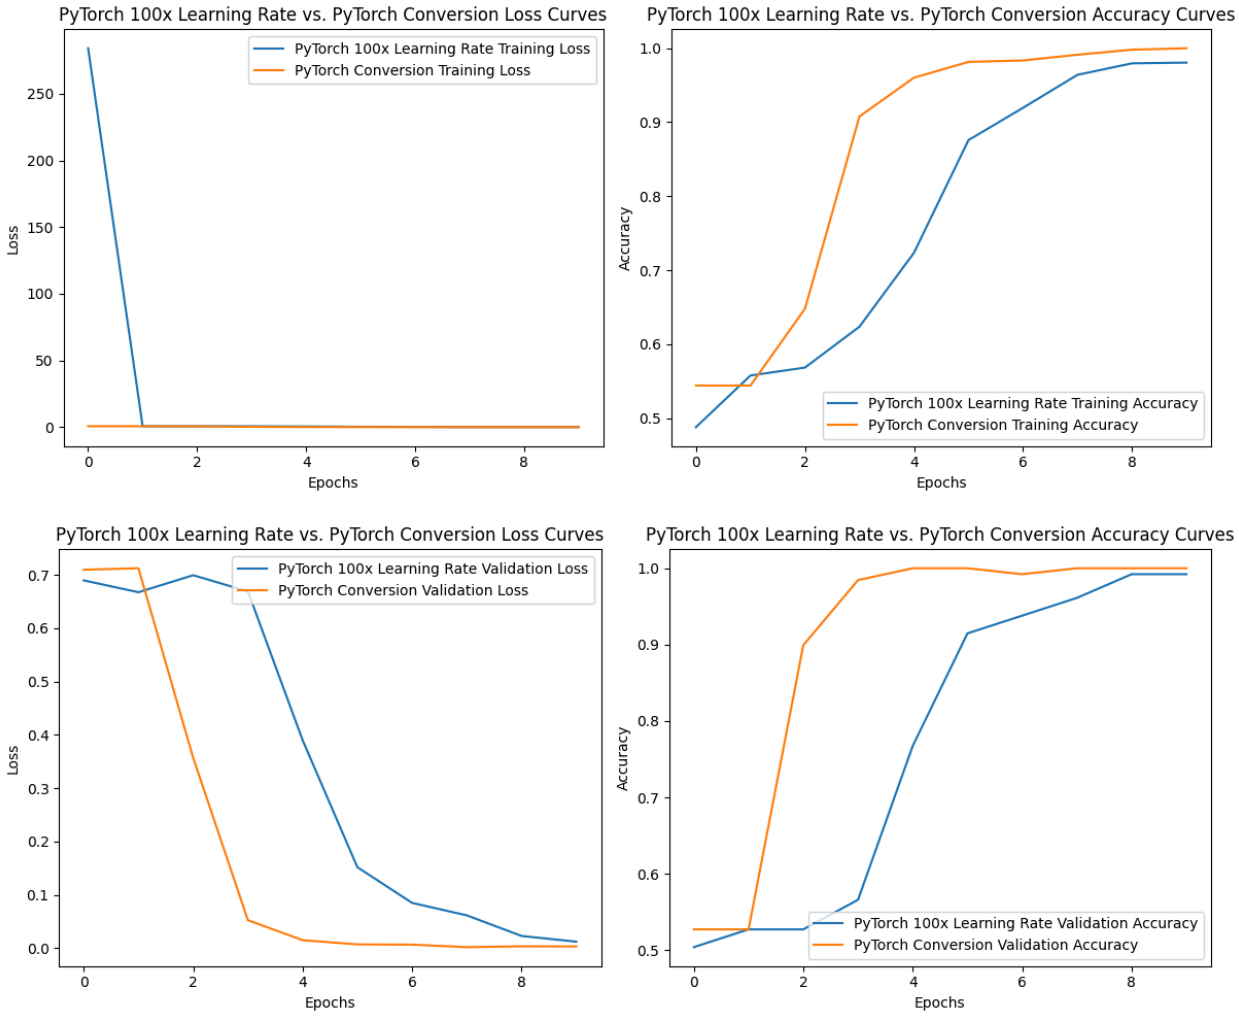
Appendix S
Keras Image Transforms vs. Keras Reference Baseline
Training and Validation Curve Comparison



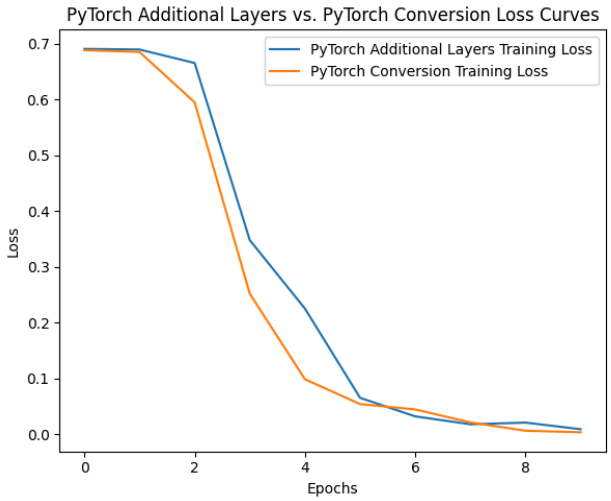
Appendix T
PyTorch 10x Learning Rate vs. PyTorch Conversion Baseline Training and Validation Curve Comparison

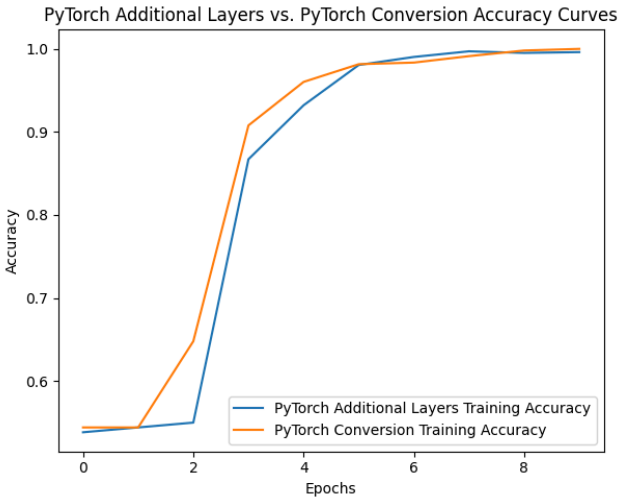


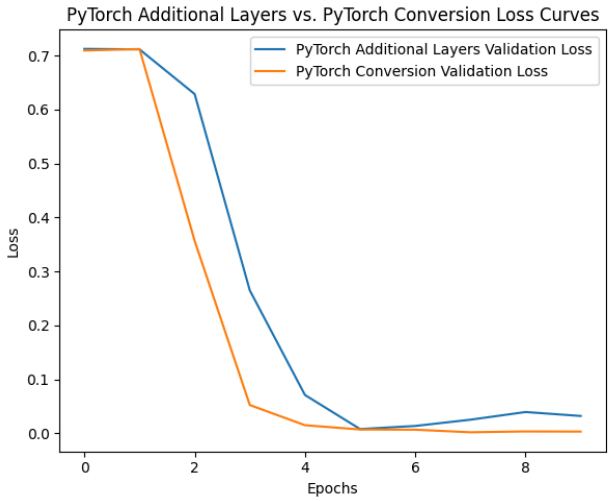
Appendix U
PyTorch 100x Learning Rate vs. PyTorch Conversion Baseline Training and Validation Curve Comparison

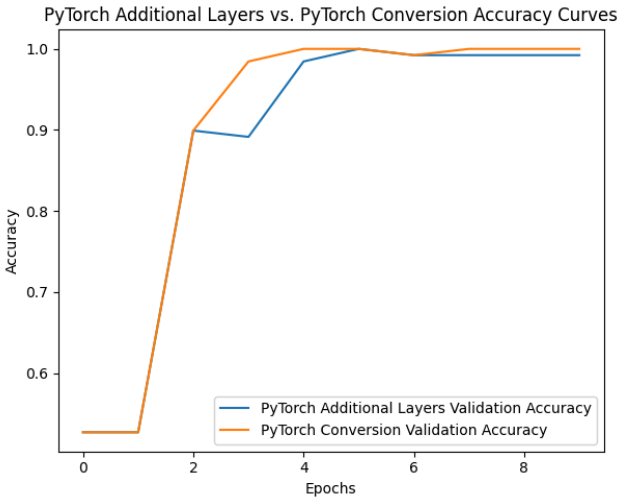


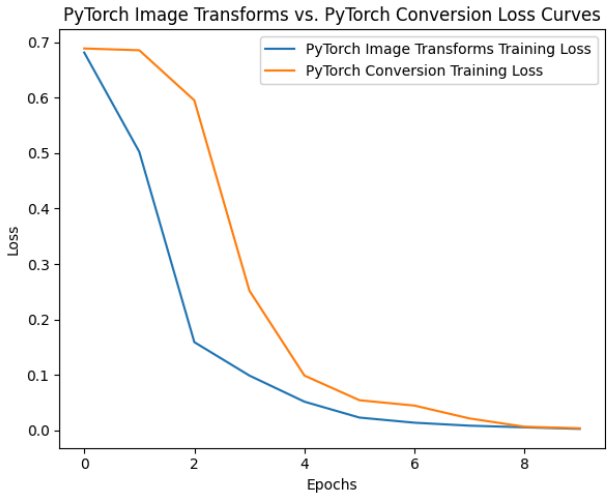
Appendix V
PyTorch Additional Layers vs. PyTorch Conversion Baseline
Training and Validation Curve Comparison

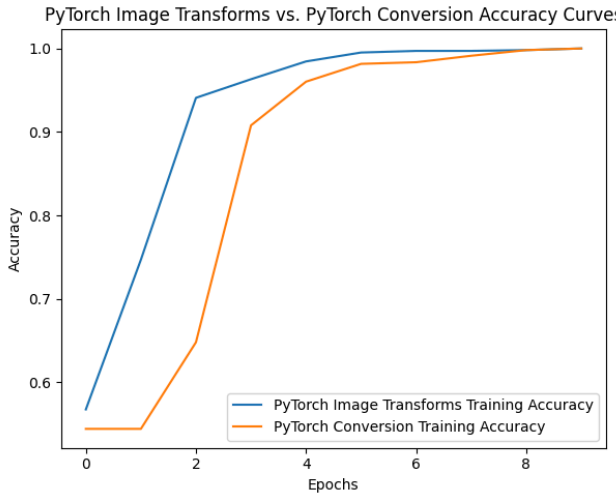


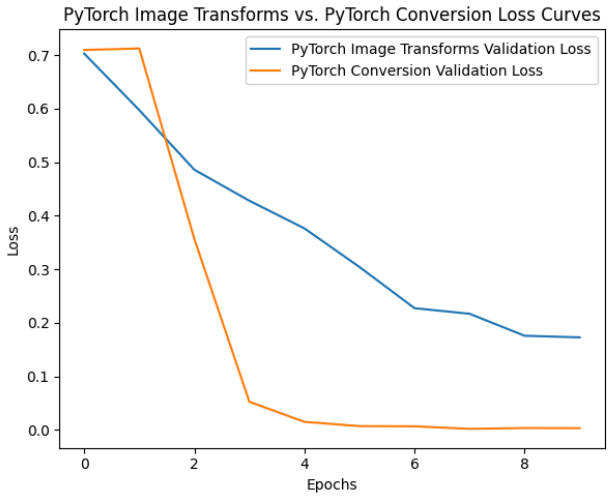


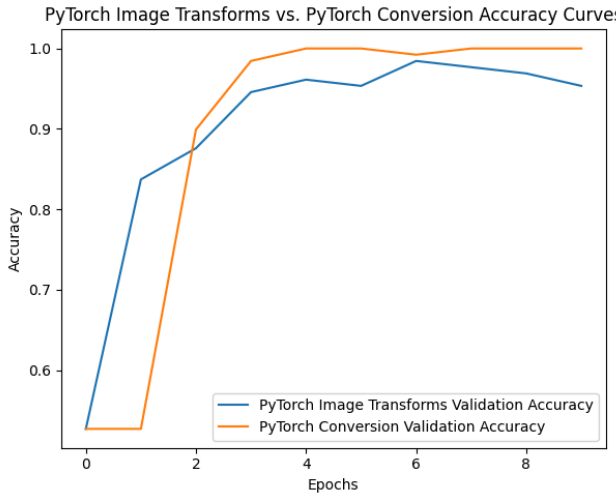












Appendix W
PyTorch Image Transforms vs. PyTorch Conversion Baseline Training and Validation Curve Comparison
